SIMPLY THE FINEST

VAIO®
FE14 / FE15

SOPHISTICATION · GREATNESS

The design of the new VAIO® FE Series adopts minimalism and caters to the needs of users. Every detail reflects exquisite craftsmanship, providing great user experience for both work and play.

With both 14.1-inch and 15.6-inch models, VAIO® FE Series is remarkably light and handy. Users will find it convenient to carry around, along with its great user experience, the potential of this device is limitless.

COMFORT · SLANTING ANGLE

Making use of ergonomics, VAIO® FE Series helps users find their best working positions. When the screen is opened, the body forms a natural slant angle with the tabletop, allowing the wrists to rest comfortably between the keyboard and the desk. This thoughtful design enhances one's working efficiency by greatly reducing the burden on the palms and wrists, and also increasing airflow and cooling efficiency.

CONNECTION · ALL-ROUND COVERAGE

VAIO® FE Series provides multiple connection options, including USB Type-C, USB 3.1, USB 2.0, RJ 45 LAN port and HDMI output. It also supports Intel® dual-band Wi-Fi and Bluetooth 5.0 at 2.4GHz and 5GHz. Without the use of an external adapter, it can also be seamlessly connected to peripheral devices and accessories.

Whether you are using it for video or face-to-face meetings, business trips, daily file sharing or connecting to a LAN line network (such as government or banking institutions), VAIO® FE Series is ready for you anytime and anywhere.

EFFICIENCY · PROFESSIONAL GRADE

Equipped with up to the 10th generation Intel® Core™ processor i7-10510U, extra-large 1TB SSD solid-state drive capacity and 16GB DDR4-2400MHz memory, the efficiency to run programmes and extract data has been enhanced, allowing the device to perform multiple tasks at the same time. VAIO® FE Series caters to your needs by helping you get more work done in fewer hours, leaving you more time to enjoy life.

DETAIL-ORIENTED · GREATER SATISFACTION

VAIO® never stops improving. VAIO® FE14 is equipped with an anti-spill keyboard*, allowing you to easily cope with different conditions. The VAIO® FE Series keyboard is equipped with larger keys and a status LED on the Caps Lock key, which perfectly matches your work pace.

We understand how important it is to protect the privacy of our users, the manually operated lens cover allows user to take control of their own safety. VAIO® FE Series also provides up to 7 hours of battery life, all these attention to detail in the design will allow you to tackle your daily tasks without hassle.

* The anti-spill keyboard is only available on FE14. In the event of a water spillage, users should wipe away the water, before bringing the laptop to a VAIO service center for inspection or repair. The anti-spill feature is only available on the keyboard and is not applicable on water damage to other parts of the laptop.

AUDIOVISUAL · ULTIMATE ENJOYMENT

The new VAIO® FE Series has an impressive look, with an ultra-narrow bezel design, a screen-to-body ratio of up to 83%, and a 14.1-inch or 15.6-inch 16:9 full HD anti-glare screen, it provides a wider viewing angle, more vivid colors and clearer display, bringing to you impeccable picture quality. VAIO® FE Series is also equipped with two 2W speakers. The unique acoustic design provides stereo effects, giving you the ultimate audiovisual experience.
